

Workshop Session 5

The Future of Payroll Leaders

Speaker: Lois Fried & Mary Holland

Workshop Description:

As payroll professionals, we are constantly looking for ways to improve efficiencies, by bringing together powerful technology and the people who need it. Future payroll leaders will be looking for payroll systems that deliver good service for their employers and the employees. The payroll leader of the future will be expected to be an advisor to business unit leaders and business partners in strategic decision making, both domestically and globally. This workshop will give the payroll leaders of today, five highly effective tips that will carry them well into the future of this dynamic profession.
