### Prep this Ahead of time!

#### Raspberry Simple Syrup

##### Recipe:

This requires a little prep ahead of time. Make a simple syrup (equal parts water and sugar) example 1 cup water 1 cup sugar, bring to boil or until sugar is completely dissolved. Let cool. Add ½ pack fresh raspberries and let sit for at least 4 hours, best over night. Press macerated berries into syrup and strain pressing any berry juice that is left. Syrup is good in the fridge for 2 months.

### **Glassware Suggestions:**

Rocks or goblet (snifter)

Martini or coup

Collins or tall glass (or copper mug)

### **Suggested Bar Tools and Options**

- *A cocktail shaker (or protein shaker)*
- *A jigger (or measuring device)*
- *A bar spoon (or spoon)*
- *A hawthorn strainer (or a mesh strainer or slotted spoon)*

*All this fun and for a good cause too! There will be a "virtual" tip jar and all tips will go to:*

- ★ *All cocktails are written with Chopin Vodka but the spirit may be subbed out for preferred spirits. Professional suggestion would be: Gin, blanco tequila, or light rum)*
- ★ *Raspberry syrup can be changed using any berries or fruit. If making syrup is not available berries can be muddled into regular simple syrup. (equal parts sugar dissolved in water)*
- ★ *Citrus juice is best fresh squeezed, recipes call for lemon but lime can be subbed.*
- ★ *All Cocktails can be made without alcohol, and have 1 club soda available.*
